

Ssemaganda George

Computer Scientist

PROFILE

Highly positive, self-driven Computer Scientist passionate about continual growth in engineering, technology, and social interaction. I am dedicated to expanding my skill sets while remaining open to learning opportunities. I am equipped with a proactive mindset and prepared to tackle the evolving challenges of today's world with my full potential.

EXPERIENCE

ML and AI Intern

- DC4Midwifery - Makerere University
June 2024 - Present

1.Leveraging machine learning and artificial intelligence to revolutionise home-based care, making healthcare predictive, preventive, and personalised through Data and AI Modelling, ML Ops, RAG app implementation and Digital Health solutions.

Lead DevOps

- MpaMpe
Jan 2024 - Present

1.Research, design and Implementation of the CI/CD pipelines for faster and more frequent updates on MpaMpe platform.

NETWORK AUDITOR

- Umeme Limited
Oct 2020 - Present

1.Conducting Comprehensive Data Analysis of Umeme Network Utilizing Advanced GIS Techniques with ArcGIS and ArcMap Tools 2. Carrying out pre-commissioning audit to ensure lines are built according to the construction and materials standards.

M&E PROJECTS COORDINATOR

- Mitsan Group LTD
Dec 2019 -Dec 2020

EDUCATION

Bachelor of Science in Computer Science

- [Makerere University](#)
2022-Present

Courses: Data Structures and Algorithms, Robotics, Machine Learning, Artificial Intelligence, Embedded systems, Software Development project, Logic Database Management.

National Diploma in Electrical Engineering

- Uganda Technical College Kyema
2015-2017

Courses: Electronics, Engineering Mathematics, Thermodynamics, Mechanical Engineering science , Renewable energy.
